### **2007 / 2008 STUDENT DIRECTORY**

TO: All Students

Welcome! We hope you enjoy your upcoming school year. The Student Directory has helped to make it easier for students and parents to get in touch with each other. In order for your name, phone number and E-mail address to be published in the Student Directory, we must have the permission of each family. Even if you do not wish to have your name published, you must still return the form below completely filled out and signed by a parent. Please return this form promptly with your other school record updates on opening day or no later than Friday, September 28, 2007.

Thank you!  
Robyn Kiefer and Cheryl DiMarco  
Home & School Association Co-Chairs
